

Year 2 – Summer Newsletter

Dear Parents and Carers,

We trust you all had a lovely Easter and hope you are looking forward to the Summer Term as much as we are. Once again an action packed term is in store with many exciting and interesting activities linked to the Dinosaurs and Deadly 60.

Reading

Please continue to read at home with your child every day for 10–15 minutes, asking questions about the text to help them to develop their understanding. Their reading books can be changed whenever they wish and the children are responsible for this. Please sign their reading record to say that they have read their book.

Homework

Numeracy homework will be sent home on a Friday. Please only complete one session of the book and return it to school by the following Tuesday.

We will continue to send sheets home for any children who have already completed the session.

Please also encourage your child to spend time on Mathletics and TT Rockstars as both of these apps have a really positive impact on the children's learning.

Spelling tests will still take place on a Friday and we will continue to upload your child's scores to Seesaw.

PE

Please ensure your child is wearing the correct PE uniform on **Wednesdays and Fridays**.

If your child has their ears pierced, please either take the earrings out on PE days or send plasters to cover them up.
