

WELCOME TO Y1

Dear Parents and Carers,

I would like to welcome your child to Year 1 and I hope they have enjoyed the first couple of weeks so far! It has been a delight to get to know them and I am very excited about the year ahead. They have all settled in so well! I am looking forward to an action-packed year as I have planned some very exciting topics and activities throughout our Year 1 journey!

Homework

Reading

Please encourage your child to read for 10 – 15 minutes every day at home, either with an adult or independently. Please sign and date their reading record to say that they have read their book. Please make sure your child's reading book remains in the wallet provided which will help prevent it getting damaged. Please make sure your child brings in their reading book every Wednesday for it to be changed.

Mathletics

I will set maths homework via Mathletics each week. Log-in codes are in the front of your child's reading wallet.

Phonics

At some point throughout the year, your child may receive some phonics activities related to the sounds they have been learning. This may be in the form of a handout or sent via ClassDojo as an attachment.
