

## Bolshaw Primary School Pupil Premium Strategy Statement 2019-2020

1. Summary information					
<b>Academic Year</b>	2019/20	<b>Total PP budget</b>	£27340	<b>Date of most recent PP Review</b>	September 2019
<b>Total number of pupils</b>	210	<b>Number of pupils eligible for PP</b>	16 pupils 7.6% NA 23%	<b>Date for next internal review of this strategy</b>	September 2020

Previous Attainment 2018-2019 KS2						
	<i>Pupils eligible for PP</i>			<i>Pupils not eligible for PP</i>		
	Our school	National	PP GAP	Our school	National	PP GAP
% achieving expected level or above in reading, writing and maths	20%	60%		63%	53%	
% achieving expected level or above in reading	20%	71%		67%	66%	
% achieving expected level or above in GAPS	67%	67%		67%	83%	
% achieving expected level or above in writing	68%	83%		87%	74%	
% achieving expected level or above in maths	20%	75%		70%	70%	

Bolshaw Primary School has identified the following as barriers for some of the pupils currently in receipt of Pupil Premium:

- Speech and Language development and access to language from books
- Attendance
- Poor literacy and numeracy basic skills – more reinforcement required
- Parental engagement with school especially with regard to support at home, attendance at information and workshop events and home learning
- The number of pupils who are in receipt of Pupil Premium and also on the SEN register for cognition and learning

- Behaviour – pupils with specific social and emotional needs which affect their learning low self confidence and self esteem

2. Barriers to future attainment (for pupils eligible for PP, including high ability)		
3.		
In-school barriers	A	Oral language skills of PP children in Foundation Stage and Key Stage 1 (End of year data, evidence from foundation baselines, teacher assessments)
	B	Making links between the visual and abstract within maths (End of year data, evidence from foundation baselines, teacher assessments)
	C	Emotional Health and well-being of PP children (evidence from monitoring of TAC and Child protection meetings, number of children having daily check ins)
	D	Number of Pupil Premium children who are also identified as having SEN
External barriers	E	Attendance and punctuality (Evidence on individuals personal records)
	F	Lack of enrichment experiences outside school (evidence of take up of enrichment activities, after school clubs)
4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
Overall	To have reduced the gap in attainment between the pupil premium children and their peers across the school by increasing the number of Pupil Premium children achieving at least expected outcomes in all curriculum areas at the end of each phase of school.	An increased number of PP children will achieve a good level of Development by the end of EYFS which is more in line with their peers. The attainment gap between PP children and their peers will be reduced by the end of key stage 1 and 2. The number of PP children achieving the expected standard by the end of key stage 2 across all areas will have increased. The number of PPG children has varied within each cohort over the last few years.

		In 2016 the figure for the PP children achieving the expected levels in all areas was 43% less than their peers. At our school, when compared to national it was 33% lower.
<b>A.</b>	<b>Oral language skills of PP children in Foundation Stage and Key Stage 1</b> (End of year data, evidence from foundation baselines, teacher assessments) PP children to have basic language skills to help them access all areas of the EYFS to reach a GLD	Pupils eligible for PP in Reception class, Year 1 and Year 2 make rapid progress by the end of the year so that all pupils eligible for PP meet age related expectations and a GLD.
<b>B.</b>	<b>Making links between the visual and abstract within maths</b> (End of year data, evidence from foundation baselines, teacher assessments) More PP children competent in basic skills in Maths	More PP children are competent in Maths and have the basic skills required by the end of the year.
<b>C.</b>	<b>Emotional Health and well- being of PP children</b> To have improved the emotional health and well-being of the most vulnerable PP pupils and their families so that attendance and punctuality rises. <i>(evidence from monitoring of TAC and Child protection meetings, number of children having daily check ins)</i>	Improved attitude to learning and increased levels of support for child at home. Increased levels of support for parents through Learning Mentor.
<b>D.</b>	<b>Number of Pupil Premium children who are also identified as having SEN</b> For SEN&PP children to have the necessary support to enable them to make progress academically in Reading, Writing and Maths	For Sen & PP children to meet end of year age related expectations.
<b>E.</b>	<b>Attendance and punctuality</b> (Evidence on individuals personal records) To have improved the emotional health and well-being of the most vulnerable PP pupils and their families so that attendance and punctuality rises.	Attendance and punctuality will increase for Pupil Premium children and will be more in line with non PP children.

<b>F.</b>	<b>Lack of enrichment experiences outside school</b> (evidence of take up of enrichment activities, after school clubs) To have increased the number of Pupil premium children engaged in a variety of enrichment experiences.	Attendance and punctuality will increase for Pupil Premium children and will be more in line with non PP children.
